

EXTENSIONS OF REMARKS

AWARDING AND CELEBRATING MEC'S FIBER-OPTIC PROJECT

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. GOSAR. Madam Speaker, I rise today to celebrate the first Mohave Electric member connections for MEC's fiber-optic project and broadband service. In a first-of-its-kind endeavor for an electric co-op in Arizona, MEC is building a fiber-optic network to enhance electric operations and provide reliable broadband service for each member in MEC's service territory which consists of 33,000 members and 42,000 end points.

MEC was created in 1946 by local residents who took initiative to provide themselves with electricity investor-owned utilities refused to supply. MEC crews have now already installed more than 190,000 feet of fiber line, increasing that number every day. The work the MEC is producing for reliable internet is very important because it helps small businesses, local emergency responders, and hospitals to be able to do their job and help the people of Mohave County.

Madam Speaker, I express a sincere form of gratitude to MEC, and I encourage my colleagues to join me in celebrating a successful project and legacy as a valuable organization to the people of Arizona. These notable efforts and accomplishments to provide reliable broadband service should be recognized and acknowledged. For these reasons I stand with MEC for their remarkable impact on the Mohave County communities.

RECOGNIZING DR. WAYNE CALHOUN TEMPLE

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I rise today to recognize Dr. Wayne Calhoun Temple for his distinguished service to the State of Illinois and the American people.

Wayne was born on his family farm in Delaware County, Ohio. Until eighth grade he worked on the farm and attended a one room schoolhouse a mile from his home. He went on to graduate as valedictorian of Prospect High School and earned a football scholarship to Ohio State University.

He attended college for only two quarters before answering the call to serve in the U.S. Army during World War II. He was sent to the University of Illinois to study engineering and was later assigned to an Army communications service-plant engineering agency. While overseas, he was responsible for authoring General Dwight D. Eisenhower's communications and was awarded the Bronze Star for his work at the Rhine River.

Following World War II, Wayne attended the University of Illinois at Urbana-Champaign in 1946, where he graduated with honors in engineering and received a PhD in history. During his time at the University of Illinois he served as a research assistant to "The Dean of Lincoln Scholars" Professor James G. Randall and contributed to Professor Randall's writing of four books.

Throughout his life, Wayne has authored over 600 works on the life of President Abraham Lincoln. In 1964, he moved to Springfield to work in the Illinois State Archives depository of public records and served as both the Chief Deputy Director and Acting Director of the depository.

His dedication to serve and educate others is evident through his life's work and I would like to personally thank him for his continued service to the State of Illinois.

HONORING GERTRUDE JACKSON'S 100TH BIRTHDAY

HON. AMI BERA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. BERA. Madam Speaker, I rise today to recognize and celebrate the 100th birthday of Gertrude Jackson. Born on May 2nd, 1921, Mrs. Jackson grew up in Prichard, Alabama and left her hometown to pursue a nursing degree at Saint Mary's Nursing School in St. Louis, Missouri. She graduated and became a registered nurse in 1944 and moved to settle in Sacramento, California. Mrs. Jackson also served in the U.S. Army in WWII as Second Lieutenant Gertrude Clarke. After she moved to Sacramento and finished her time in the Army, she met her late husband and was married the following year on May 15th. Mr. and Mrs. Jackson spent a wonderful 70 years together.

Mrs. Jackson is a very accomplished woman, and her children, grandchildren, and great-grandchildren all look up to her. As she began her career in nursing in 1944, she was the second African-American registered nurse in Sacramento, working at Sutter Memorial Hospital. This achievement helped pave the way for women of color in the health care sector, and our community is grateful for her service.

Although her 100th birthday was earlier this year, we continue to celebrate this milestone as she reunites with her family for the first time since the beginning of the COVID-19 pandemic. Mrs. Jackson celebrated her birthday at Elk Grove Regional Park last weekend, and we wish her well this year. I ask that my colleagues join me in wishing a happy birthday to Mrs. Jackson and a profound thank you for her work in our community.

INTRODUCTION OF THE FEDERAL BUREAU OF PRISONS VOTING ASSISTANCE ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Ms. NORTON. Madam Speaker, I rise today to introduce the Federal Bureau of Prisons Voting Assistance Act with Congresswoman CHELLIE PINGREE and Congressman PETER WELCH. This bill would require the Federal Bureau of Prisons (BOP) to provide to inmates from jurisdictions that allow inmates to vote, like the District of Columbia, Vermont and Maine, information on how to register to vote and request an absentee ballot. It would require BOP to provide each BOP prison information on the criteria for voter registration, instructions on voter registration, voter registration forms and prepaid envelopes for voter registration forms, if provided by the state generally. Each prison would be required to post the information in the facility and give it to each inmate eligible to vote.

These are essentially the practices BOP used in the most recent presidential election, so this bill would codify an already successful practice of assisting with voter enfranchisement.

I ask my colleagues to support this bill.

TRIBUTE TO SAN BERNARDINO COUNTY SHERIFF JOHN McMAHON ON THE OCCASION OF HIS RETIREMENT

HON. JAY OBERNOLTE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. OBERNOLTE. Madam Speaker, I rise today to honor Sheriff-Coroner John McMahon of the San Bernardino County Sheriff's Department in California's 8th Congressional District. Sheriff McMahon has served as a law enforcement officer in San Bernardino County for the past 36 years. He began his career in 1985 as a patrol deputy at the Needles station in California's 8th District and has been promoted to every rank in the department since then, serving at a total of 15 stations during his career. In 2014, John was elected as the 35th Sheriff-Coroner of the San Bernardino County Sheriff's Department, and his leadership has been an invaluable asset to our law enforcement community.

During his tenure, Sheriff McMahon successfully led the department through many challenging times and high-profile incidents, including the December 2nd terror attack in San Bernardino. Long-term solutions implemented by his department have helped to keep crime down in our communities and improve safety across the largest county in our state. Under his leadership, the San Bernardino County Sheriff's Department has become known as one of the premier law enforcement agencies in the nation. I wish Sheriff McMahon and his wife Shelly all the best as he begins his retirement and I thank him for his dedication to serving the people of San Bernardino County.

THANKING ANDREW LOFTON FOR A LIFETIME OF PUBLIC SERVICE AND CONGRATULATING HIM ON RETIREMENT

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. SMITH of Washington. Madam Speaker, I rise today to honor Andrew Lofton's outstanding career with the Seattle Housing Authority and congratulate him on a well-earned retirement after nearly five decades in public service.

Over the course of his astonishing career, Mr. Lofton held a variety of titles including Chief of Staff to Mayor Norm Rice, Budget Director of the City of Seattle, Chief of Departmental Operations for the City of Seattle, and most recently, the Executive Director of Seattle Housing Authority.

The positive impact Andrew has made on his community cannot be stressed enough. Seattle is without a doubt better because of his hard work, dedication, and passion for developing affordable housing. Under his leadership as Executive Director, the Seattle Housing Authority grew by over 1,500 units making a world of difference for over 3,000 children and adults. He grew the Seattle Housing Authority to the largest it has ever been, serving over 37,000 Seattle residents in over 8,400 units.

In a career full of achievements, one that stands out is his role in organizing and leading the community of Moving to Work Housing Authorities and serving as the first President of the Moving to Work Collaborative. This work was absolutely critical in piloting a new approach to more effectively and efficiently using Federal housing resources to serve low income communities. Moving to Work agencies assist families with children where the head of the household is seeking work or participating in a workforce development program. Not only do they help these families become economically stable, but they also increase housing choices for low-income families. Because of Andrew's dedication, these programs remain successful in Washington and across the country.

Andrew was also pivotal in the Community Moves to Opportunity initiative. This partnership between Seattle Housing Authority, King County Housing Authority, and Raj Chetty's Opportunity Insights research team at Harvard paved the way to broaden geographic choice and access to opportunity neighborhoods for low-income families. This work has been foundational for new national mobility efforts funded by Congress and currently being rolled out by the Department of Housing and Urban Development.

Madam Speaker, it is my great pleasure to congratulate Andrew Lofton on a distinguished career. The State of Washington is lucky to have had him working for its people and after 47 years of service he always worked with grace, a generosity of spirit, and a never-failing sense of humor.

COMMEMORATING THE 20TH ANNIVERSARY OF PATRICK HENRY COLLEGE

HON. MARK E. GREEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. GREEN of Tennessee. Madam Speaker, I rise today to honor a great institution of higher education, Patrick Henry College, on the occasion of its 20th anniversary.

Through a commitment to high academic rigor, a fidelity to the spirit of the American founding, and an unwavering worldview grounded in biblical principles, Patrick Henry College has attracted excellent students from all 50 states and distinguished itself by forming alumni marked by their grace, humility, and wisdom.

Since its founding in 2000, Patrick Henry College has placed graduates in the White House and as clerks for four U.S. Supreme Court justices. Many alumni can be found leading in various roles of public service and helping to make our country and the world a better place.

It has captured 12 national moot court championships, the Nelson Mandela world championship, and last year was crowned national civic debate champion.

IN RECOGNITION OF AYA'S
SWEETS

HON. RASHIDA TLAIB

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Ms. TLAIB. Madam Speaker, I rise today to recognize the culmination of hard work and dedication by Aya Islam and her family that has resulted in the grand opening of Aya's Sweets, a shop and bakery in the Dearborn Heights community in Michigan's 13th Congressional District.

Small businesses are the life blood of our economy, contributing to local economies and fostering a sense of community. But, what truly makes the grand opening of Aya's Sweets shine is that it is the realization of a dream. Aya, at the age of sixteen, and with the support of her family, has committed so much of herself into seeing this business succeed.

Mostly self-taught, Aya began baking at the age of nine by watching cooking videos and shows. She has never shied away from a challenge. As she honed her skills, she earned a reputation for her beautiful and tasty creations, and has taken the step of opening her own bakery.

Please join me in recognizing and celebrating Aya and the Islam Family on the occasion of the grand opening of Aya's Sweets. We wish them many years of success in service to our neighbors in Michigan's #13th District Strong.

TRIBUTE TO MAYOR DAVID
CARETTO ON THE OCCASION OF
HIS RETIREMENT AS THE
MAYOR OF BIG BEAR LAKE

HON. JAY OBERNOLTE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. OBERNOLTE. Madam Speaker, I rise today to honor Mayor David Caretto, a constituent of my district and Mayor of my hometown of Big Bear Lake, California. Mayor Carreto served Big Bear Lake for eleven years, but he was a public servant long before that, serving Southern California for thirty-three years as General Manager and Secretary for the South Orange County Wastewater Authority, Assistant City Manager and City Clerk for the City of Irwindale, Assistant

City Manager and City Clerk for the City of Pico Rivera, City Manager and Assistant City Manager for the City of Signal Hill, and Planning Technician for the City of Lynwood. In addition to his own public service, David and his wife Cindy raised two talented children, both of whom proudly served their country in the Iraq War.

I was honored to serve alongside David on the Big Bear Lake City Council, and I can relate from firsthand experience how impactful his continuous dedication to our community has been. I wish him and Cindy all the best in his retirement as they enter the next phase of their life. Thankyou very much, Dave, for your service to the City of Big Bear Lake.

HONORING THE SERVICE OF
MAJOR GENERAL PETER B.
ANDRYSIK JR.

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. YOUNG. Madam Speaker, I am deeply honored to express my gratitude to Major General Peter B. Andrysiak Jr. for his years of dedicated service to the United States of America, the Army, and the great state of Alaska.

As the Commanding General of United States Army Alaska (USARAK) and Deputy Commanding General of the Alaskan Command, at Joint Base Elmendorf-Richardson, Alaska, he is responsible for providing trained and ready forces to support worldwide unified land operations and operations in the United States Indo-Pacific Command Area of Operations and the Arctic Region and conduct military operations in places like Iraq and Afghanistan.

Additionally, General Andrysiak has become a leader for the U.S. Army in the Arctic. In 1935, Brigadier General Billy Mitchell stated, "I believe that in the future, whoever holds Alaska will hold the world. I think it is the most important strategic place in the world." In the over 85 years since that statement, we have seen military leaders who understood it and many who ignored it. General Andrysiak is clearly the former. His Arctic leadership was not only critical to reshaping the Army's vision of the Arctic but was also crucial in the development of the Army's Arctic Strategy and the modernization of the Army's operations in Arctic environments.

Since pinning on his Second Lieutenant bars following his graduation from the United States Military Academy at West Point, General Andrysiak has exemplified what it means to be an American soldier. He is, however, more than the military tactical and operational expertise that he has demonstrated through his career. General Andrysiak has endeared himself to the soldiers and their families under his charge. For he has become a tireless advocate for their quality of life and wellbeing. From investments and improvements to facilities such as Child Development Centers, barracks, and gyms, to leadership engagement and mental health support, General Andrysiak understands that there is more to a soldier's readiness than squeezing a trigger and field maneuvers. There is mental, spiritual, physical, and family readiness that must be addressed as well.

On February 23, 2021, the Chief of Staff of the Army, General James McConville, announced that General Andrysiak will become the Deputy Commanding General of U.S. Army Europe-Africa. While I am saddened to see him leave Alaska, I am proud that he will continue serving as a sentinel for our Nation.

REMEMBERING JOHN D. LEONARD
SR.

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. RYAN. Madam Speaker, I rise today to honor the life of John D. Leonard Sr. of Girard, Ohio who passed away peacefully Monday, July 5, 2021 at the age of 80 surrounded by his loving family.

John was born Oct. 13, 1940, in Niles, a son to Joseph and Kathryn McMenamy Leonard. He was a 1958 graduate of Niles McKinley High School. He worked as a skilled tradesman for both the union and then Packard Electric, retiring in 2008. John was a parishioner of St. Rose Church and was a member of the Knights of Columbus in Girard.

John was a pillar to his family. He was a selfless provider always ensuring the prosperity of his children and grandchildren. Just as he sang along to Louise's piano performances, uplifting her tunes, John would always uplift those around him, supporting friends and family unconditionally. His infectious smile and enthusiastic dancing reminds us how to live life. John's fundamental values of love, dedication, and community will forever guide his loved one's path towards happiness. We have lost a truly wonderful person who will forever be missed.

He leaves to cherish his memory, his children, Karla (Philip) Smith of Virginia, John D. (Suzana) Leonard Jr. of Shaker Heights and Bob (Danielle) Leonard of Rocky River; brothers, Joseph (MaryAnn), Thomas (Lucy), Paul (Charlotte), William (Mary Ann), Richard (Sandy) and Robert; sisters, Kathleen, Margaret Mary (David); close friend and companion, Nancy Foster; and his grandchildren, Audrey and Emma Smith, Daniel and Stefan Leonard, Andrew and Anna Leonard, Alex Sapp, Adam (Janice) and Hannah Smith. Besides his parents, John was preceded in death by his wife, Louise Leonard, whom he married Aug. 18, 1962, and who passed away Feb. 2, 2015; and a brother, Jerry.

John was the uncle to my longtime District Director and childhood friend, Rick Leonard. John truly embodied the spirit of the Democratic Party through his lifetime of integrity and kindness and was all around a wonderful person to be around. My condolences go out to all whose lives he touched.

CONGRATULATING MICHAEL
MIRRA ON HIS RETIREMENT AND
THANKING HIM FOR SERVING
HIS COMMUNITY

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2021

Mr. SMITH of Washington. Madam Speaker, it is my privilege to congratulate Michael Mirra

on a well-earned retirement and thank him for nearly two decades of service to the Tacoma Housing Authority.

The positive impact Michael has had on his community cannot be overstated. He has diligently served as Executive Director of Tacoma Housing Authority for the last 17 years, where in that time he helped countless people and substantially improved the Tacoma Housing Authority by growing the number of units and increasing the reach of their services. Prior to this role, Michael was a highly successful litigator who represented homeless families and poor neighborhoods in several high-profile legal cases.

Under Michael's leadership, the Tacoma Housing Authority completed a reconstruction project of 200 urban acres costing \$250 million in Tacoma's Salishan neighborhood. Not only was this the largest project in Tacoma's

history, but also the largest West of the Mississippi. The project increased the total number of units under the Tacoma Housing Authority by 29 percent.

Michael also spearheaded innovative ways to use federal housing dollars to further benefit families. With the Education Project, Michael was able to help the children of families working with the Tacoma Housing Authority succeed in public schools and pay for the college education of students experiencing homelessness. Michael was instrumental in finding new ways to use funds and enlisted local developers to incorporate low-income housing into market-rate developments.

He also established the Tacoma Housing Authority as a Moving to Work agency, becoming just one of 39 in the country. Moving to Work agencies are given the flexibility to test innovative, locally designed strategies to

use federal resources more efficiently and help residents find employment to become financially stable in the long-term. This work was absolutely critical in piloting a new approach to more effectively and efficiently using Federal housing resources to serve low income communities. Not only do they help these families become economically stable, but they also increase housing options for low-income families. In 2016, in recognition of his distinguished career, Michael was awarded the Margaret M. Sevy Lifetime Achievement Award by the Washington State Housing Finance Commission.

Madam Speaker, it is my distinct honor to honor Michael Mirra on an outstanding career in public service, thank him for serving his community so well, and congratulate him on retiring.
